WAIVER AND RELEASE

This is a legal document that affects my rights. I acknowledge that my participation in the activities described in Annex A is a recreational activity that involves some degree of physical exertion and a degree of physical risk. I am participating for the purpose of recreation, enjoyment and leisure. I am informed and I acknowledge that participation and the activities described in Annex A may contain some risky activity involving unpredictable and unforeseeable risks of harm. This harm includes death or personal injury.

I willingly assume the risk of participating in the exercises, training program and all other activities described in Annex A. I have provided the Brisbane Lions AFC with all relevant and necessary information that relates to my physical health and capacity to participate in strenuous exercise. I understand that if the Brisbane Lions AFC were not provided with all relevant and necessary information about my health and capacity they would not be able to fully appreciate the risk of harm or injury to me in providing instruction and in allowing me to participate in this activity. I (or my parent or guardian) willingly provides the following waiver:

- a. I do not hold the Brisbane Lions AFC or their employees or agents legally responsible for injuries I suffer on their premises or using their equipment or participating in their training activities or programs.
- b. I undertake not to sue the Brisbane Lions AFC or their employees or agents for any claims, costs, damages or other liabilities they may have for injury suffered by me and I acknowledge that this waiver represents a legal release and discharge of legal responsibility to the Brisbane Lions AFC or their servants or agents. It is provided in exchange for the goods and services acquired by me.
- c. I have been informed and I accept that I may also be assuming a role involving responsibility for the safety of others participating in the activities described in Annex A. This means I will accept responsibility for the safety of another person and if an injury occurs as a result of my careless act, omission or negligence then I fully assume responsibility for any harm done and I do not hold the Brisbane Lions AFC concurrently responsible. I warrant not to participate while intoxicated or affected by drugs.
