**AGM held 26 March 2017**

The main matter arising from the AGM was the future of our Association.

Differing views were put forward by members either by email to the Secretary prior to, or by those present at the meeting. There appeared to be an even split on which way we should go. Do we fold or do we merge. One agreement was that we all know it is hard and getting harder to have the younger brigade involved.

It was decided to leave it to the Committee over the coming season to look at options. Any comment from members is encouraged to assist in this process.

**Players Melbourne Reunion-** Sunday 7<sup>th</sup> May

For those members who may not have heard from the Club, the 2017 event is a little different to normal. It is to be held at the Oxford Hotel in the City in front of a “big screen” for the Swans v Lions game.

We encourage all Past Players and Officials to attend this event. If you want more information contact the Club or the Association Secretary.
