MCG

The MCG is more than just a sports venue. It's a place where memories are made and childhood dreams come alive. Fleeting moments at the 'G can stay with you forever. Steeped in history, the MCG has been the home of Australian Football since 1859.

Six (6) games at the MCG in 2017 gives you the opportunity to immerse yourself in this symbolic venue.

ETIHAD STADIUM

Etihad Stadium opened in March 2000 and is a multi-purpose facility designed to cater for major sporting and entertainment events, as well as social, business and private functions.

Situated in the heart of Melbourne's Docklands, Etihad is the only football stadium in the Southern Hemisphere with a fully retractable roof.

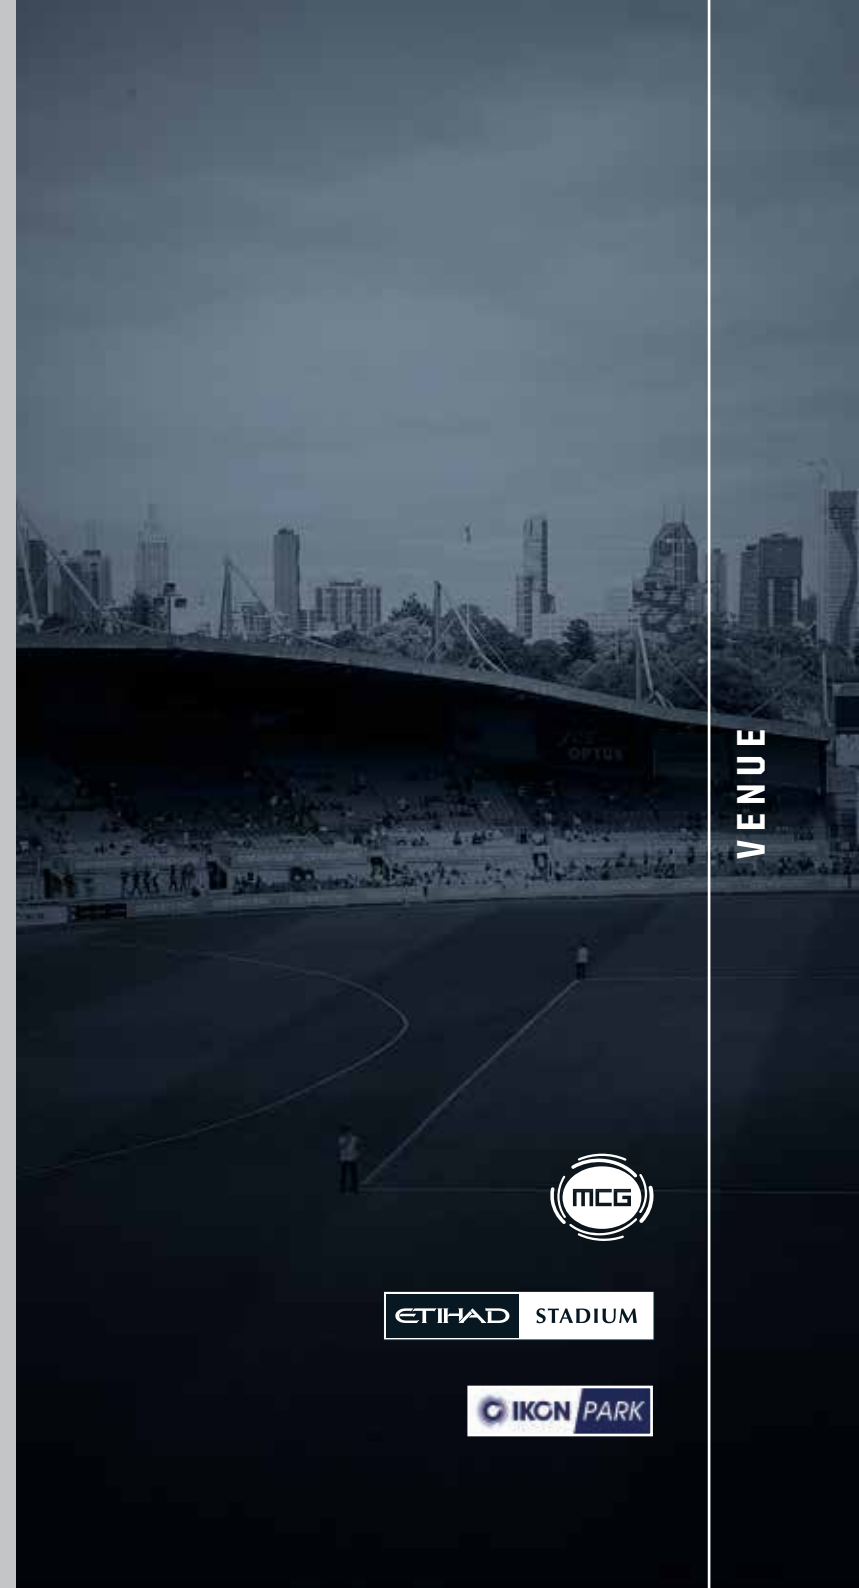

With easy access from the Melbourne CBD and no fewer than five (5) home games at the stadium in 2017, Etihad Stadium will provide the ultimate footy experience, close to all the action for you and your guests.

IKON PARK

For 109 seasons, Princes Park - the traditional home of the Carlton Football Club - provided an idyllic backdrop for 962 senior matches. Today, as the Blues strive for an unprecedented 17th premiership, the team takes full advantage of what is now known as Ikon Park, a \$20 million, high-performance facility.

Ikon Park gives you the chance to witness the inner workings of a professional sporting environment. We have a number of products, from player sponsorship opportunities to our Navy League, which will give you access to the very heart of Carlton.

HYUNDAI

NEW THINKING. NEW POSSIBILITIES.

The Carlton Football Club has, over many years, established a solid core of sponsors and corporate partners – which is why Carlton, through its major sponsor Hyundai, has devised an exclusive package tailored to meet the very special needs of those committing to the Club at the corporate end.

For those sponsors helping the Blues to be the best in the business, a special loyalty fleet package is on offer whether your requirements are passenger, commercial vehicle, or SUV.

Significantly, this is an exclusive offer via the Carlton Football Club, meaning it is not available through fleet companies but can be used in conjunction with an FMO if you desire.

So when considering purchasing vehicles for your fleet, remember that as a valued sponsor or corporate partner of the Carlton Football Club, you are entitled to this truly special fleet discount.
