# CORPORATE HOSPITALITY

# CEO WELCOME

Everyone at the Gold Coast SUNS is looking forward to the 2018 Toyota AFL Premiership Season.

New Senior Coach Stuart Dew has hit the ground running and the players and football department are focused on the season ahead.

A new coach brings new beginnings. Stuart is a progressive thinker and is committed to delivering real success for the GC SUNS, our players, staff and importantly our current and emerging corporate members.

In 2018 we are in a unique circumstance with Metricon Stadium not available until early June due to the Commonwealth Games. Working with the AFL we have managed to secure seven blockbuster home games at Metricon Stadium in the back half of the season.

Our corporate hospitality has been priced to reflect these impacts. You will also see a significant price change in The Lounge presented by Virgin Australia and our Corporate Suites.

Please don't hesitate to contact Your SUNS Corporate Team to discuss your corporate hospitality for the 2018 season.

See you at the footy.
