

Dear Volunteers

We would like to take this opportunity to thank you for your contributions to the Melbourne Football Club during the 2013 season. Volunteers continue to be an important resource in assisting us in many areas across the Club. We are committed to continue to work with our volunteers as we all strive to improve the Club.

Over the next 12 months we would like to review and update our Volunteer strategy. We envisage setting up a project group to do this work.

In the meantime, legal compliance coupled with changes to AFL compliance, requires us to ensure that all our Volunteers are registered for the 2014 season. Diane Mountney from the Volunteers Committee will continue to coordinate this process. If you intend to volunteer, please register as per the attached 2014 Volunteer Availability Form. Your privacy is important and the information collected on the attached form is for the purposes of coordinating our volunteer opportunities.

Relevant policies which apply to our volunteer workforce will also be communicated to those people who are participating in the 2014 season. These policies are currently being reviewed and may include Social Media, Code of Conduct, Confidentiality, Bullying and Harassment and OH & S.

Our policy is to ensure all our players, staff and volunteers have a current Working With Children's Check. In particular, this is an essential requirement for those people who are involved in activities with children. Examples include match day, community camps, clinics, Family Days etc. If you do not have a current WWCC please apply as per the instructions below. There is no cost to you provided you check the Volunteer box.

Once again thanks for your support and welcome aboard to our new volunteers for 2014.

Kind regards

Amanda Howes
Human Resources Manager
