

VFLW Coaching Volunteers

The Western Bulldogs were recently excited to announce that we will field a team in next year's VFL Women's competition, after the Club strengthened its partnership with VU Western Spurs.

The Bulldogs and Spurs have developed a strong relationship in the last three years, and in 2018 the Spurs' senior VFLW team will be known as the Western Bulldogs and will wear the red, white and blue colours.

We are now seeking a number of volunteers to assist on our VFLW Coaching panel for Season 2018. We are looking for individuals to volunteer their time in the following areas:

- Mid Line Coaching
- Back Line Coaching
- Forward Line Coaching
- Development Coaching
- Senior Assistant Coaching
- Opposition Analysis Coaching

The successful candidate will ideally have a Level 1 Coaching qualification and be passionate about the development of talent within women's football.

If you are interested in volunteering your time and gaining some coaching experience please send your details outlining any relevant experience to Debbie Lee at debbie.lee@westernbulldogs.com.au. Applications for these volunteer positions close at 5pm on Friday 22nd December 2017.

Please note that due to the high level of interest only those individuals short listed will be contacted.
