### **BOARD OF DIRECTORS MEMBER ELECTION 2018**

#### **ROD JAMESON**

My passion for the AFC commenced in the Glenelg Football Club Boardroom where and when I met with a number of people representing a team called the Adelaide Football Club in Oct of 1990. I walked into the Board Room at 10am as a drafted player to the North Melbourne Football Club and walk out at 3pm an Adelaide Football Club player.

From that day on, wearing the AFC Guernsey proudly through some challenging weeks, months and years and lucky enough to be there long enough to enjoy the ultimate success the AFL competition offers, an AFL Premiership . My tenure as a player lasted 9-10 years. Upon retiring, invited to represent the ABC to broadcast every AFC home game at Football Park and onto Adelaide Oval. Subsequently it has now been 19 years in total involved in national broadcasting watching and critiquing the team I love with a passion.

My club has been challenged and scrutinised like no other, been through circumstances like no other and we are continually seeking and striving to be the club like no other- the envy and admiration of all on field and off field. Humbly I have been involved in my club in one way or another since its inception and the last 3 years in the role of an AFC Board Member . I wish for this to continue for the next 2 years and beyond and seek the trust, comfort and support from our members of our club.

## **KYM RYDER**

I have been a Crows Member and supporter all of my adult life. In that time I have seen the highs and the lows and I remain a loyal Member. The Adelaide Football Club represents so many supporters and stakeholders. Its Members are fundamental to its health. I have been a lawyer, a partner, a director, a husband and a father. I have been involved in managing a small business and have sincerely enjoyed each of my roles. I would be pleased to act as the Member Nominee to the Adelaide Football Club Board and would seek to listen to its members, especially those who feel that they don't have a voice in the Football Club. I love footy and think that I can bring a lot to the table.
