

BE PART OF THE EVENT

The Lionhearts are an official Victorian-based supporter group of the Brisbane Lions, who host unique get-togethers surrounding matches played in Melbourne.

The group has grown in number each year since forming in 2012, and offers a real sense of belonging for like-minded Lions supporters of all ages.

The Lionhearts functions remain among the most affordable all-inclusive match-day hospitality options in the AFL, with money raised going directly back into supporting the Club's next generation of locally-produced stars through the Hyundai Help for Kids Lions Academy.
