Directors' report (continued)

Directors meetings

The number of directors meetings held and the number of meetings attended by each of the directors during the financial year was as follows:

	Directors Meetings (1)		Finance & Operations Committee Meetings (1)		
Directors	No. of Meetings attended	No. of Meetings eligible to attend	No. of Meetings attended	No. of Meetings eligible to attend	
Edward McGuire	11	11	-	-	
Jack Kennedy	11	11	8	10	
Alex Waislitz	6	11	-	-	
Ian McMullin	8	11	9	10	
Mark Korda	10	11	10	10	
Paul Leeds	11	11	8	10	
Alisa Camplin	10	11	-	-	

Shows the number of meetings held and attended by each director during the period the director was a member of the Board or Committee

Note: E. McGuire, A. Waislitz and A. Camplin attend Finance & Operations Committee meetings from time to time.

Principal activities

The principal activities of the Group during the course of the financial year were to conduct the operations of the Collingwood Football Club, to manage its affairs, and provide a team of footballers bearing the name of the Collingwood Football Club.

The Group owns and operates a travel agency. The Group also owns the leasehold of The International in Lilydale, Coach and Horses in Ringwood, The Club in Caroline Springs and The Diamond Creek Tavern in Diamond Creek.

Review and result of operations

The Group recorded a profit for the period of 2011 of \$2,141,436 (2010: profit of \$1,000,724).

A detailed review of various aspects of the operations is contained in the President's report published in the "In Black and White 2011 Year Book".

Dividends

The Articles of Association specifically prohibit the payment of dividends to members. No such dividends were declared or paid.

State of affairs

In the opinion of the Directors there were no significant changes in the state of affairs of the Group that occurred during the financial year under review.

Directors' report (continued)

Events subsequent to balance date

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors of the Company, to affect significantly the operations of the Group, the results of those operations, or the state of affairs of the Group, in future financial years.

Likely developments

Further information about likely developments in the operations of the Group and the expected results of those operations in future financial years have been referred to in the report of the President published in the "In Black and White 2011 Year Book".

Directors' interests and benefits

Other than as outlined in the notes to and forming part of the financial statements, since the end of the previous financial year no director of the Company has received or become entitled to receive any benefits because of a contract made by the Group with a director or with a firm of which a director is a member, or with an entity in which the director has a substantial interest. Directors are not remunerated by the Group for their services.

Indemnification and insurance of officers

Indemnification

Under the Articles of Association, the Board and all members thereof shall be indemnified by the Group against all costs, losses, expenses and liabilities incurred by the Board or any members thereof in the course of the business and it shall be the duty of the Board to pay and satisfy all such costs, losses, expenses and liabilities out of the funds of the Group.

Insurance premiums

During the financial year, the Group has paid premiums in respect of Directors' and Officers' liability in respect of directors, secretaries and executive officers of the Group for the year ended 31 October 2011. The directors have not included details of the nature of the liabilities covered or the amount of the premiums paid in respect of the directors' and officers' liability, as such disclosure is prohibited under the terms of the contract.

Directors' report (continued)

Lead auditor's independence declaration under section 307C of the Corporations Act 2001

The lead auditor's independence declaration is set out on page 8 and forms part of the Directors' report for the year ended 31 October 2011.

Dated at Melbourne this 14th day of November 2011.

Signed in accordance with a resolution of the Directors:

Edward McGuire

Director

Mark Korda Director

Lead Auditor's Independence Declaration under Section 307C of the Corporations Act 2001

To: the directors of Collingwood Football Club Limited

I declare that, to the best of my knowledge and belief, in relation to the audit for the financial year ended 31 October 2011 there has been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

1 Collingwood Football Club Limited

Collingwood Football Club Limited ("the Company") is a company limited by guarantee where statutory members guarantee its liabilities to the extent of \$10. The registered office of the Company is The Westpac Centre, Olympic Park, Melbourne, Victoria. The consolidated financial statements of the Company as at and for the year ended 31 October 2011 comprises the Company and its subsidiaries (together referred to as the "Group" and individually as "Group entities") and the Group's interest in associates and jointly controlled entities.

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. Certain comparative amounts have been reclassified to conform with the current year's presentation.

2 Statement of significant accounting policies

The significant policies which have been adopted in the preparation of this financial report are:

(a) Statement of compliance

The consolidated financial statements of the Group are Tier 2 general purpose financial statements which have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements (AASBs) adopted by the Australian Accounting Standards Board (AASB) and the Corporations Act 2001.

The consolidated financial statements were authorised for issue by the directors on 14 November 2011.

(b) Basis of preparation

These consolidated financial statements are presented in Australian dollars, which is the Group's functional currency. The consolidated financial statements have been prepared on the historical cost basis.

The preparation of consolidated financial statements in conformity with AASBs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the consolidated financial statements is included in the following notes:

• Note 7 – Trade and other receivables

Provisions are established for bad or doubtful receivables. Actual expenses in future periods may be different from the provisions established and any such differences would affect the future earnings of the Group.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 **Statement of significant accounting policies (continued)**

(b) Basis of preparation (continued)

Note 10 – Intangible assets

The Group tests annually whether goodwill has suffered any impairment in accordance with the accounting policy for intangible assets. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units). The recoverable amounts of cash generating units have been determined by value in use calculations.

The Group early adopted reduced disclosure requirements in AASB 1053 Application of Tiers of Australian Accounting Standards. Comparative information has been represented or removed so that it also conforms to the new disclosure requirements. Since the change in policy only impacts presentation aspects there was no impact on comprehensive income.

The Group has applied amendments to the Corporations Act (2001) that remove the requirement for the Group to lodge parent entity financial statements. Parent entity financial statements have been replaced by the specific parent entity disclosure in note 16.

(c) **Basis of consolidation**

Control is the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In accessing control, the Group takes into consideration potential voting rights that currently are exercisable. The acquisition date is the date on which control is transferred to the acquirer. Judgement is applied in determining the acquisition date and determining whether control is transferred from one party to another.

Subsidiaries are entities controlled by the Group. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases. The accounting policies of subsidiaries have been changed when necessary to align them with policies adopted by the Group.

Intra-group balances and transactions, and any unrealised income and expenses arising from intragroup transactions, are eliminated in preparing the consolidated financial statements.

(d) Revenue recognition

(i) Sales Revenue

Revenues are recognised in the income statement when the significant risks and rewards of ownership have been transferred to the buyer. Sales revenue comprises revenue earned (net of returns and discounts) from sponsorship, gaming, hospitality, marketing, AFL distributions, membership and the sale of products or services to entities outside the Group.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 Statement of significant accounting policies (continued)

(d) Revenue recognition (continued)

(ii) Travel Revenue

Revenue from the sale of airline tickets and travel packages is recognised when the following occurs:

- When deposits are received they are taken up as revenue to the extent that it equals the cancellation fee; or
- When full payment has been received from the consumer and airline tickets or redeemable value vouchers have been issued or when the airline or travel package provider has been paid.

(iii) AFL distributions and match returns

AFL distributions are recognised as they are received. Match day income is recognised at the conclusion of each AFL home game.

(iv) Membership

Membership income is recognised throughout the duration of the AFL home and away season.

(v) Marketing and sponsorship income

Marketing & sponsorship income is recognised when amounts are due and payable in accordance with the terms and conditions of the sponsorship contract.

(vi) Social and gaming revenue

Sales comprise revenue earned (net of returns, discounts and allowances) from gaming machines and provision of food and beverage. Gaming, bar, bistro and function revenue is recognised as it is earned.

(vii) Members' payments in advance

These contributions relate to a 2, 5 and 10 year membership plans introduced in 2010 and are not refundable. Appropriate amounts are included as revenue in the years to which they relate.

Subscriptions received in advance from members that relate to future years are included in unearned revenue. These payments are included as revenue in the years to which they relate.

(viii) Dividend income

Dividends are recognised when declared.

(ix) Grant income

Grant income, including contributions of assets, is recognised when the Group controls the contribution or right to receive the contribution, and it is probable that the economic benefits comprising the contributions will flow to the Group, and the amount of the contribution can be measured reliably.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 Statement of significant accounting policies (continued)

(e) **Expenses**

(i) Operating lease payments

Payments made under operating leases are recognised in the profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

(ii) Finance income and costs

Finance costs comprise interest expense on borrowings and unwinding of the discount on provisions. Borrowing costs are expensed as incurred and included in net financing costs.

Finance income comprises interest income on funds invested. Interest income is recognised in profit and loss, using the effective interest method.

(f) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the financial position.

Cash flows are included in the cash flow statement on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

(g) Income tax

The Group is exempt from income tax under Section 50-45 of the Income Tax Assessment Act 1997.

Property, plant and equipment (h)

Owned assets

Items of property, plant and equipment are measured at cost less accumulated depreciation (see accounting policy h(v)) and impairment losses (see accounting policy (o)).

Cost includes expenditures that are directly attributable to the acquisition of the asset. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 Statement of significant accounting policies (continued)

(h) Property, plant and equipment (continued)

The gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised net within other income / other expenses in profit or loss. When revalued assets are sold, any related amounts included in the revaluation reserve are transferred to retained earnings.

(ii) Leased assets

Leases in terms of which the Group assumes substantially all the risks and rewards of ownership are classified as finance leases. Upon initial recognition the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that assets.

Other leases are classified as operating leases and the leased assets are not recognised in the Group's statement of financial position.

(iii) Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group and its cost can be measured reliably. The carrying amount of the replaced component is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

(iv) Memorabilia

Purchased

Items of memorabilia purchased are recorded at the cost of acquisition and memorabilia is reviewed annually for impairment.

Memorabilia collections are kept under special conditions so that there is no physical deterioration and they are anticipated to have a very long and indeterminate useful life. No amount of depreciation has been recognised in respect of purchased memorabilia collections as their service potential has not, in any material sense, been consumed during the period.

Collected

Over the years the Group has also collected considerable memorabilia. This memorabilia is not recorded in the financial statements, but has been independently valued and will be reviewed on a periodic basis.

(v) Depreciation

Depreciation is based on the cost of an asset less its residual value for items of property, plant and equipment, including building extensions and leasehold property but excluding memorabilia and freehold land and buildings. Significant components of individual assets are assessed and if a component has a useful life that is different from the remainder of that assets, that component is depreciated separately.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 Statement of significant accounting policies (continued)

(h) **Property, plant and equipment (continued)**

(v) Depreciation (continued)

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Group will obtain ownership by the end of the lease term. Land is not depreciated.

The estimated useful lives for the current and comparative periods are as follows:

	2011	2010
Building Extensions	5%	5%
Leasehold Improvements	5%	5%
Furniture and Fittings	15%	15%
Plant and Equipment	20%	20%
Motor Vehicles	22.5%	22.5%
Freehold land & buildings	0%	0%
Memorabilia	0%	0%

Depreciation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Estimates in respect of certain items of plant and equipment were revised for the year ended 31 October 2011 (see note 9).

(vi) Assets classified as held for sale

Non-current assets, or disposal groups comprising assets and liabilities, that are expected to be recovered primarily through sale rather than through continuing use are classified as held for sale. Immediately before classification as held for sale, the assets, or components of a disposal group, are remeasured in accordance with the Group's accounting policies. Thereafter generally the assets, or disposal group, are measured at the lower of their carrying amount and fair value less cost of sell. Any impairment loss on a disposal group first is allocated to goodwill, and then to remaining assets and liabilities on a pro rata basis, except that no loss is allocated to inventories, financial assets and employee benefit assets which continue to be measured in accordance with the Group's accounting policies. Impairment losses on initial classification as held for sale and subsequent gains or losses on re-measurement are recognised in profit or loss. Gains are not recognised in excess of any cumulative impairment loss.

(i) Intangible Assets

Gaming licences that are acquired by the Group have finite lives and are measured at cost less accumulated amortisation and accumulated impairment losses (see accounting policy (o)).

The cost of gaming licences is calculated based on the present value of future cash flows, discounted at the market rate of interest at reporting date.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 Statement of significant accounting policies (continued)

(i) Intangible Assets (continued)

Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit and loss as incurred.

Amortisation

Amortisation is calculated over the cost of the asset, less its residual value. Amortisation is recognised in profit and loss on a straight-line basis over the estimated useful lives of the licence, of intangible assets, other than goodwill, from the date that they are available for use. The estimated useful lives for the current and comparative periods are as follows:

2011 2010

Gaming licence 16 years 16 years

Amortisation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate on a prospective basis. Estimates in respect of gaming licences were revised during the year ended 31 October 2010.

Goodwill

Goodwill represents the excess of the cost of the acquisition over the Group's interest in the net fair value of the acquired identifiable assets, liabilities and contingent liabilities.

Subsequent measurement

Goodwill is measured at cost less accumulated impairment losses.

(j) Non-derivative financial assets

The Group initially recognises loans and receivables and deposits on the date that they are originated. All other financial assets (including assets designated at fair value through profit or loss) are recognised initially on the trade date at which the Group becomes a party to the contractual provisions of the instrument.

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Group is recognised as a separate asset or liability.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 Statement of significant accounting policies (continued)

(j) Non-derivative financial assets (continued)

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The Group has the following non-derivative financial assets.

Loans and receivables

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognised initially at fair value plus any direct attributable transactions costs. Subsequent to initial recognition loans and receivables are measured at amortised cost using the effective interest method, less any impairment losses.

Loans and receivables comprise cash and cash equivalents and, trade and other receivables.

(k) **Inventories**

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their existing location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

Cash and cash equivalents **(l)**

Cash and cash equivalents comprise cash balances, short term bills and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the Group's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

Non-derivative financial liabilities (m)

The Group initially recognises financial liabilities (including liabilities designated at fair value through profit or loss) are recognised initially on the trade date at which the Group becomes a party to the contractual provisions of the instrument. The Group derecognises a financial liability when its contractual obligations are discharged or cancelled or expire. Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The Group classified non-derivative financial liabilities into the other financial liabilities category. Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest rate method.

Other financial liabilities comprise trade and other payables.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

Statement of significant accounting policies (continued)

(n) **Investments**

Financial instruments held for trading are classified as current assets and are stated at fair value, with any resultant gain or loss recognised in the income statement. The fair value of financial instruments classified as held for trading is their quoted bid price at the balance sheet date. Financial instruments classified as held for trading investments are recognised/derecognised by the Group on the date it commits to purchase/sell the investments.

Trade and other payables are stated at amortised cost. Trade accounts payable are settled within normal trading terms.

Impairment – Financial assets (including receivables) (o)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets (including equity securities) are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Group on terms that the Group would not consider otherwise, indications that a debtor or issuer will enter bankruptcy, the disappearance of an active market for a security. In addition, for an investment in an equity security, a significant or prolonged decline in its fair value below its cost is objective evidence of impairment.

Loans and receivables

The Group considers evidence of impairment for receivables at both a specific asset and collective level. All individually significant receivables and held-to-maturity investment securities are assessed for specific impairment. All individually significant receivables and held-to-maturity investment securities found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Receivables and held-to-maturity investment securities that are not individually significant are collectively assessed for impairment by grouping together receivables and held-to-maturity investment securities with similar risk characteristics.

In assessing collective impairment the Group uses historical trends of the probability of default, timing of recoveries and the amount of loss incurred, adjusted for management's judgement as to whether current economic and credit conditions are such that the actual losses are likely to be greater or less than suggested by historical trends.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Losses are recognised in profit or loss and reflected in an allowance account against receivables. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

Notes to the Consolidated Financial Statements

For the year ended 31 October 2011

2 **Statement of significant accounting policies (continued)**

(p) Employee benefits

Short-term benefits

Liabilities for employee benefits for wages, salaries, annual leave and sick leave represent present obligations resulting from employees' services provided to reporting date, are measured on an undiscounted amounts based on remuneration wage and salary rates that the Group expects to pay as at reporting date including related on-costs, such as workers compensation insurance and payroll tax and are expensed as the related service is provided. Non-accumulating non-monetary benefits, such as medical care, housing, cars and free or subsidised goods and services, are expensed based on the net marginal cost to the Group as the benefits are taken by the employees.

Other long-term employee benefits

The Group's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs. The benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on AA credit-rated or government bonds that have maturity dates approximating the terms of the Group's obligations. The calculation is performed using the projected unit credit method.

Superannuation plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available. Contributions to a defined contribution plan that are due more than 12 months after the end of the period in which the employees render the service are discounted to their present value.

Provisions (**q**)

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Presentation of financial statement and reduced disclosure

The Group early adopted AASB 1053 Application of Tiers of Australian Accounting Standards and AASB 2010-02 Amendments to Australian Standards arising from Reduced Disclosure Requirements. This has resulted in a reduction of disclosures for items such as financial instruments. Comparative information has been re-presented or removed so that is also conforms to the new disclosure requirements.

Collected memorabilia

In addition to purchased memorabilia, the Company has a significant collection of memorabilia which was acquired over the years at no cost. An independent valuation of this memorabilia was performed by Mr R. Milne, certified with the Department of Communications and the Arts on 3 November 2010 for \$9,167,255. This amount has not been brought to account.

During the year the Group conducted an operational efficiency review over property, plant and equipment as a result of the committed future redevelopment of Olympic Park Stadium and the Westpac Centre. This resulted in changes in the expected usage of certain items of property, plant and equipment. The effect of these changes on the depreciation expense in the current period was an increase in depreciation expense recognised of \$598,239.

Other commitments

Victoria Park

The Company has an access agreement with the City of Yarra for use of the playing facilities and grounds at Victoria Park, with the final instalment of \$100,000 to be paid in 2012.

Player Payments

Due to the contract terms varying considerably amongst players, it is not practical to reliably measure the future commitments under player contracts.

Guarantees

The Company has provided a bank guarantee of \$200,000 as part of the Olympic Park lease agreement. The Company has provided a bank guarantee of \$110,000 to George Adams Pty Ltd as part of the agreement to operate gaming machines at The Club in Caroline Springs. The Company has provided a bank guarantee of \$141,350 to Tattersalls in respect to The Beach Hotel gaming machines. The Company has provided a bank guarantee of \$247,500 to Bleakehouse P/L in respect to The Beach Hotel. The Company has provided a bank guarantee of \$650,000 to DC Freehold Pty Ltd in respect to Diamond Creek Tavern.

17 Key Management Personnel disclosures

The key management personnel compensation was \$1,858,691 for the year ended 31 October 2011 (2010: \$1,608,154)

Directors are not remunerated by the Group for their services.

Other key management personnel disclosures

A number of KMP's of the Group, or their related parties, hold positions in other entities that result in them having control or significant influence over the financial or operating policies of these entities.

During the year a number of KMP's purchased club membership packages, match day tickets, club merchandise, attended club functions, made donations and contributed towards fundraising auctions. The terms and conditions of the transactions with KMP's and their KMP related entities were no more favourable than those available, or which might be reasonably be expected to be available, on similar transactions to non-KMP related entities on an arm's length basis.

The aggregate amounts recognised during the year relating to key management personnel and other related parties, for the Company and Group amounted to:

	2011	2010
		\$

19 Events subsequent to balance date

There have been no matters or circumstances that have arisen since 31 October 2011 that will significantly affect, or may significantly affect the operations of the Group, the results of the operations, or the state of affairs of the Company in subsequent years.

Directors' declaration

In the opinion of the directors of Collingwood Football Club Limited ("the Company"):

- (a) the financial statements and notes that are contained in pages 9 to 32 are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Group's financial position as at 31 October 2011 and of their performance, as represented by the results of their operations and their cashflows for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001;
- (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Directors:

Edward McGuire

Director

Mark Korda Director

Thomas

Dated at Melbourne this 14th day of November 2011.

Independent auditor's report to the members of Collingwood Football Club Limited

Report on the financial report

We have audited the accompanying financial report of Collingwood Football Club Limited (the company), which comprises the consolidated statement of financial position as at 31 October 2011, and consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year ended on that date, notes 1 to 19 comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the Group comprising the company and the entities it controlled at the year's end or from time to time during the financial year.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001* and Australian Accounting Standards – Reduced Disclosure Requirements, a true and fair view which is consistent with our understanding of the Group's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

KPMG, an Australian partnership and a member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative (*KPMG International*), a Swiss entity.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's opinion

In our opinion the financial report of the Group is in accordance with the Corporations Act 2001, including:

- giving a true and fair view of the Group's financial position as at 31 October 2011 and of (a) its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Regulations 2001.

Gordon Sangster Partner
