

THE FREMANTLE DOCKERS FOUNDATION

We have established the Fremantle Dockers Foundation to support the important on and off field work of the Fremantle Football Club.

FOUR KEY PILLARS OF THE FOUNDATION INCLUDE:

- Community engagement and social inclusion.
- Elite performance and sustained on field success.
- Pathway and development programs for aspiring athletes.
- Securing our future.

The Fremantle Football Club strongly believes in its corporate and social responsibility to the community, with areas of focus for the club at the new elite training and administration facility at Cockburn Central West to include health and wellbeing, education, multicultural and social inclusion programs.

The integrated facility, supported by the Fremantle Dockers Foundation, will also include elite training and athlete preparation and provide aspiring athletes with development pathways to achieve at the highest level.

SECURING OUR FUTURE

*“THE FREMANTLE DOCKERS
FOUNDATION WILL HELP
SECURE THE CLUB’S FUTURE.”*
