

GLENFERRIE GOLD LIFE PATRONS OF THE HAWKS MUSEUM

The Hawthorn Football Club has a proud history having grown from a small suburban club established in 1902 to later join the Victorian Football League in 1925 and go on to become one of the powers of the major competition, the AFL. The Hawks Museum is a place where our former and present day players, officials, supporters and the general public can meet to talk, reflect, celebrate and to learn more of the history and traditions of the Hawthorn Football Club.

The Hawks Museum's task is to deliver Hawthorn's ongoing story, to present our former players and the people who have made our Club in a light that does them, and their future generations justice, and to reinforce pride in their service to the Brown & Gold. The last 58 years has seen Hawthorn deliver 13 Premierships, 6 Brownlow Medals and 6 Norm Smith Medalists.

Glenferrie Gold Life Patron membership is offered to Hawks Fans who have a strong interest in the Club's history and traditions and would like to gain a closer affiliation with the museum. Your valued contribution enables the museum to further develop its resources in growing the Club Collection, record the stories, develop new and informative displays, create an engaging experience for visitors and facilitate functions of a historical nature.

Membership to Glenferrie Gold can be obtained by way of a \$1,000 contribution, which can be tax deductible when made to the Hawthorn Football Club Foundation.

Your membership contribution will be recognized with

- Your name recorded on the Glenferrie Gold Life Patrons Honour Board and in the Hawks Museum Annual Report
- An individually numbered Patrons Badge
- Certificate of Appreciation
- Unlimited access to the Hawks Museum
- Invitations to two annual functions presented by the Hawks Museum

Brian Kann

Played 1954 - 1959
