

GLENFERRIE GOLD LIFE PATRONS OF THE HAWKS MUSEUM

Glenferrie Gold Life Patron membership is offered to Hawks Supporters who would like to gain a closer affiliation with the Hawks Museum. Membership can be obtained by way of a \$1,000 contribution, which can be tax deductible when made to the Australian Sports Foundation in support of the Hawthorn Football Club Foundation Future Fund project. Glenferrie Gold members hold an annual gathering with Friends of the Museum.

The Hawthorn Football Club has a proud history, being the only club in the AFL to have grown from a small suburban club to later join the Victorian Football League and go on to become one of the powers of the major competition, the Australian Football League. The Hawks Museum tells the story of the people who have made the Hawthorn the most successful club in the last 55 years, 10 Premierships, 4 Brownlow Medals, 5 Norm Smith Medallists and arguable the three best forwards in the history of the game.

To assist the Hawks Museum in telling the Hawthorn Story your valued contribution enables the museum to further develop its resources with added lighting, new display cabinets and changing displays.

Your membership contribution will be recognised with

- Your name recorded on the Life Patrons Honour Board
- Individual numbered Patrons Badge
- Certificate of Appreciation
- Your name in Hawks Museum Annual Report
- Access to the Hawks Museum
