SUPPORTING MELBOURNE FOOTBALL CLUB FOR 80 YEARS

WELCOME TO MELBOURNE FOOTBALL CLUB COTERIE

Melbourne Coterie is the preeminent supporter group of the Melbourne Football Club and has played an important role for 80 years. Before players were professional athletes, Coterie provided players with assistance and employment. In more recent times, Coterie provided a business, financial, mentor and support network. The Melbourne Coterie today is made up of businessmen and women from all walks of life that join together in a spirit of camaraderie to support the Melbourne Football Club to be successful on and off the field.

2017 marks the 80th year of Coterie and we are looking forward to exciting times at both the Melbourne Football Club and in Coterie, with several enhancements of Coterie membership and activities being introduced.

One matter of significance I am pleased to report is arrangements being put in place to build on our alignment with past players, and see them involved on match days and Coterie events. We are excited that with the involvement of past players, led by David Neitz, the Coterie experience will be a truly special opportunity to enjoy, and we will also work with the past players in support of their events, to assist them in areas including fundraising to support players.

An important addition to the Coterie packages in 2017 is the inclusion of the Grand Final. This is a special opportunity for Coterians, and we look forward to being there when the boys run out for the "big one". With the fortunes of the team improving, we are encouraged to see that as possibly being in the near future.

Melbourne will have nine home games at the MCG in 2017, and play there on twelve occasions. Our home game matchday functions feature a variety of themed days including games where special guests such as current players' parents, players' partners, past players and Club Life members will be in attendance.

Join Coterie now to become part of this special group of passionate Melbourne supporters who are committed to building on the goodwill and camaraderie around match day and other activities, in support of our great Club.

Chris Brown, Coterie Chairman

"After my father was killed in action at Tobruk, Coterie made a pledge to take care of my mother and myself. I have never forgotten this definitive, caring statement. From my playing days, through my coaching days, to now, I regard Coterie as part of the fabric of a successful club. Coterie's contribution through fundraising, player welfare and player employment continues 75 years on, as does the spirit of great camaraderie and passion for our Club which infuses Coterie functions and match day luncheons. I am honoured to be part of it."
