INDIGENOUS ACADEMY

North Melbourne Football Club's 2013 Blackwoods Indigenous Academy, run in partnership with AFL Victoria and the Melbourne Vixens, will engage, reward and inspire young Indigenous footballers and netballers.

Open to Indigenous boys (AFL only) and girls (AFL and netball) aged 11-14 years, inclusion in the Academy will be based on character, commitment to education and community and club engagement as well as skill. We are looking for young people who have the potential to become leaders in their communities, their schools or their local sporting clubs.

Program mentoring and coaching will be provided by Lindsay Thomas (NMFC) and Geva Mentor (Melbourne Vixens).

In addition to an intensive program at the North Melbourne Football Club Aegis Park headquarters over three days (July 2-4), the Academy will include NMFC and Vixens game visits, follow up mentoring from Lindsay Thomas, and a coaching session for community coaches delivered by NMFC coaching staff.

The Academy will be officially launched during Indigenous round, NMFC v Adelaide Sunday May 26, 3.15 pm, at Etihad Stadium.
