2017 ANNUAL REPORT

PRESIDENT'S REPORT

During 2017 we have had a number of discussions with senior club officials concerning the management of the PPOA and it's relationship to the club. These discussions are ongoing and positive progress is being made. Items under consideration include how the club can assist in past player contact, assistance with events, the set up of the PPOA assistance fund and corporate image including branding and stationery etc. As a result, this has delayed the launch of the PPOA Assistance Fund and a number of functions planned for 2017.

Our program for 2018 will include a major dinner function which will incorporate the launch of the assistance fund, and a number of home game events. Another two of our major goals in 2018 - ensure all former senior players are AFLPA Alumni members and grow our membership base by encouraging all Reserve and U19 past players to become reacquainted with the club by getting involved and supporting our activities during 2018. If you are aware of contact details for any past players or officials please advise Greg Ryan at the club or NMFC PPOA Secretary Tony Sheveleff so they can be followed up.

We wish the Coach, Brad Scott and his team all the best for 2018 as they build toward our next flag.

Our congratulations go to Andrew Swallow on his long and distinguished career at North - we wish him well in his life after football. Other significant departures this year include Lindsay Thomas, Lachlan Hansen, Aaron Mullet and Sam Gibson. All have been major contributors during their time at North and we wish them well in their future endeavours. We hope to see them back at the club at some of our events in the future.

Frank Goode
Hon. President

Our seats are in a block of 15 in a great viewing area on the wing. Please book early to avoid missing out. 2017 ANNUAL REPORT

TREASURER'S REPORT

The Financial Report indicates a net loss of \$187 was incurred for the year which is down from the net profit of \$4502 in the previous year. The major reason for this was a decrease in Etihad Stadium ticket sales and reduced subscription revenue. The decrease in subscription revenue during the year can be attributed to a change in the treatment of subscriptions paid in advance which was made in 2016. On a more positive note it is pleasing to report the sale of merchandise (clothing and the signed 1997 Weg Premiership Posters) has generated a small profit.

If any members have any questions in reference to the Financial Reports please submit them at the AGM and I will be happy to answer them.

I wish to express my thanks to my fellow Committee members and the former Treasurer, Robin Poole for their assistance and their contributions over the year. To our auditor Chris Graham at H G & Co, Certified Practising Accountants thank you for your on going support.

The Association operates on a tight budget and can only continue to prosper through the support of its members. The association offers many benefits to its members and I would encourage you to introduce former players (seniors, reserves and under 19) and officials to join our association and to support the various functions held through the coming year.

Philip Carlton
Hon. Treasurer
