

PLAYER DEVELOPMENT COORDINATOR

ST KILDA FOOTBALL CLUB

Careers at St Kilda Football Club represent a unique opportunity in football. Our club fuses elite performance with the creative, progressive, and human centred spirit of St Kilda, our birthplace of 1873.

We value creativity, belonging and performance. We aim to connect people through inspiring football, thriving community and unique experiences that reflect what it is to represent the red, white and black. As a proud AFL foundation club, we firmly believe we are heading in the right direction and we invite you to join us.

Reporting to the Player Development Manager, we are seeking a Player Development Coordinator to assist in guiding and enhancing the personal development of St Kilda players (men and women), specifically in the area of career development outside of football and transition in and out of the game. This encompasses their induction into the St Kilda Football Club, their time as a player, preparation for life beyond their playing career and their exit from the Club.

The position will also assist with the basic welfare and professional football preparation requirements of the Club's various academies, in particular the top end talent of the Next Generation and Father-Son Academies.

To be considered for this role you will have:

- Tertiary qualifications in education and / or career and personal counselling.
- Minimum of 3 years demonstrated ability working with athletes, adolescents or adults.
- Strategic in thinking and practice.
- Well developed interpersonal skills.
- Strong communication skills both written and verbal.
- Able to work collaboratively across different stakeholder groups.
- Ability to manage confidential and sensitive information.
- Understanding of the operations of professional sporting Clubs.
- Strong personal and professional values, providing a foundation to assist players well – trustworthy, honest, diligent.
- Enthusiasm to keep learning, particularly in the area of counselling athletes.
- Current Victorian driver's licence.
- Ability to work flexible hours across 7 days during the football season.
