RULES & REGULATIONS

AFL 9s is a modified version of Australian Rules designed to be a more social and inclusive version of the game suitable for all ages and abilities.

- The game is played between two teams of nine (9) with interchange players.
- The field has a recommended length of 100 metres and is divided into three zones: a mid zone and two scoring zones.
- Teams score by kicking the football into their attacking scoring zone to designated forwards who are the only players permitted to score.
- A mark is awarded irrespective of the distance the ball has travelled and if the ball hits the ground it is an automatic turnover.
- AFL 9s is a non-contact version of the game which requires players to implement a touch in place of a tackle.

FOR EVERYONE***

OUR SPIRITUAL HOME IN FITZROY

The Brunswick Street Oval was the home ground of the Fitzroy Football Club for over 80 years - from the Club's formation in 1883 until the final VFL/AFL match was played at the venue on Saturday 20 August 1966 against St Kilda.

The Oval hosted 612 VFL home-and-away games and four finals, and reached a record attendance of 34,765 when Fitzroy played Essendon in 1923.

The iconic main grandstand (the second grandstand burned down in 1979) is listed on the Victorian Heritage Register.

It remains a spiritual heartland for the Brisbane Lions and their supporters in Melbourne, and is now home to the Fitzroy FC in the VAFA and the Fitzroy Juniors during the winter months.
