

Collingwood Football Club is one of the oldest sports clubs in Australia. It is also one of the most contemporary, diverse and innovative, with six elite sporting teams under the one roof at the superbly equipped Holden Centre.

Women's sport has provided an exciting extension to our Club as we apply our high performance expertise across an additional four teams.

We are constantly looking for the right professionals to enable Collingwood to honour its past, succeed in the present, shape a prosperous future and proudly meet its responsibilities as a community leader.

This is your opportunity to join our female high performance sports landscape in the heart of Melbourne's Olympic Park.

### **SPORTS PHYSIOTHERAPIST – COLLINGWOOD MAGPIES**

We are looking for an experienced Sports Physiotherapist to join our netball program for the 2019 season, to support our professional athletes by providing first class physiotherapy related services, in a part time capacity.

The role will report into our Physical Performance Manager – Women's Sport, and work alongside our Women's Sport high performance team, including our strength, conditioning and sports science staff. It will be responsible for preparing our players within the netball program for the physical rigors of elite sport by ensuring they reach their maximum physical condition while reducing their risk of injury.

It will also be responsible for the education of players around practical rehabilitation sessions and correct preventative training techniques as well as the implementation and prescription of specific rehabilitation conditioning sessions for players as required.

Your role will focus on effectively motivating players to achieve maximum potential, whilst also having the ability to anticipate potential risks of injury and keeping across current trends and issues in the area of preventative training and other sports medicine areas.

This role requires an individual who has a willingness to adapt to a fast changing environment and can accept the pressures and demands associated with the competitions. The successful applicant will be positive, resilient and have excellent communication skills.

You will have relevant Physiotherapy qualifications and a minimum of 5 years working with high performance athletes or a high performance sporting environment.

This is a part time role of up to 15/ hrs a week including match attendance and travelling with the team. You must have flexibility to adapt to an evolving training schedule over the season. In return, we offer a highly competitive remuneration package and benefits, state of the art high performance facilities and a strong and vibrant cross club work culture.

Please send through a detailed CV and covering letter to [careers@collingwoodfc.com.au](mailto:careers@collingwoodfc.com.au)

**Applications close Monday 10 December 2018.**
