**Enjoy going to the Football to watch Collingwood Play
And want to do it in a relaxed & comfortable way
Come join
THE GIPPSLAND MAGPIES IN 2018**

The Gippsland Magpie Supporters Club are a group of passionate people who support and follow the fortunes of the Collingwood football Club, its players and everything associated With the Club, WE LOVE THE COLLINGWOOD FOOTBALL CLUB

Our aim is to run a bus to every game that the Collingwood football Club plays in Melbourne during 2018 season to both the MCG and Etihad Stadiums. Our Fares are reasonable at \$25 for adult Club members and \$15 for kids, you will be dropped off nearly at the front door, no more City driving or stressing about parking etc. You will arrive at the football in comfort and relaxed ready to enjoy the game.

We run a bus that is clean, comfortable, that is fun, friendly and most importantly family friendly, we welcome and encourage parents to bring their children to the game in a friendly trouble free environment, we have a strict code of conduct in place that ensures this.

Our bus picks up in Churchill, Traralgon, Morwell and Moe and elsewhere along the way If required and drops of in the bus carpark at the MCG and Etihad Stadium. We return home approx.20 minutes after the game, you will be picked up where you were dropped off.

We have activities such as pick the Crowd, Winning Margin etc, we stop to purchase lunch prior to games Dinner after games at quality food stops who have reasonable prices.

We are a well-run Supporters Group and are financially stable and run by a member elected committee who are passionate about having a great day out to see our team play and who care about, and oversee the welfare and comfort of all people traveling to the game and to see them safely back home again.

We invite you to join us in 2018, just try us once, we are sure you will be back again. because you will have had a great day out

Yes, we do have drinks on board, soft drinks for kids, and something a little stronger for adults, but excesses and anti-social behaviour will not be tolerated.

As first stated we love the Collingwood football club and our purpose is to have a club of people passionate about footy and their team the Mighty Magpies, a club that runs a bus watch their team play, win or loose or draw in a friendly fun way with plenty of banter about the way we played, the players & of course coaching theories.
