Transperth has developed an integrated public transport plan designed to move 80% of patrons to and from Optus Stadium.

The plan has been designed to connect event-goers with the Perth CBD and wider metropolitan area.

Please note that the services outlined in this brochure will vary depending on the event, and we ask that all passengers use the Transperth JourneyPlanner to accurately plan their trip prior to an event.

You can find the JourneyPlanner at transperth.wa.gov.au or call 13 62 13.

Tickets to Optus Stadium include the fare to use all Transperth services. Visit the website for more details.

Precinct Map

The Stadium precinct includes a purpose built train and bus station to accommodate large crowds attending events at Optus Stadium and the surrounding area.

Perth Stadium Train Station

With six dedicated platforms, Perth Stadium Station is designed to move over 28,000 passengers after an event. There are two station concourses, with the Western concourse serving passengers for the Joondalup and Fremantle Lines, and the Eastern concourse serving the Armadale Line and shuttles into Perth Station.

Perth Stadium Bus Station

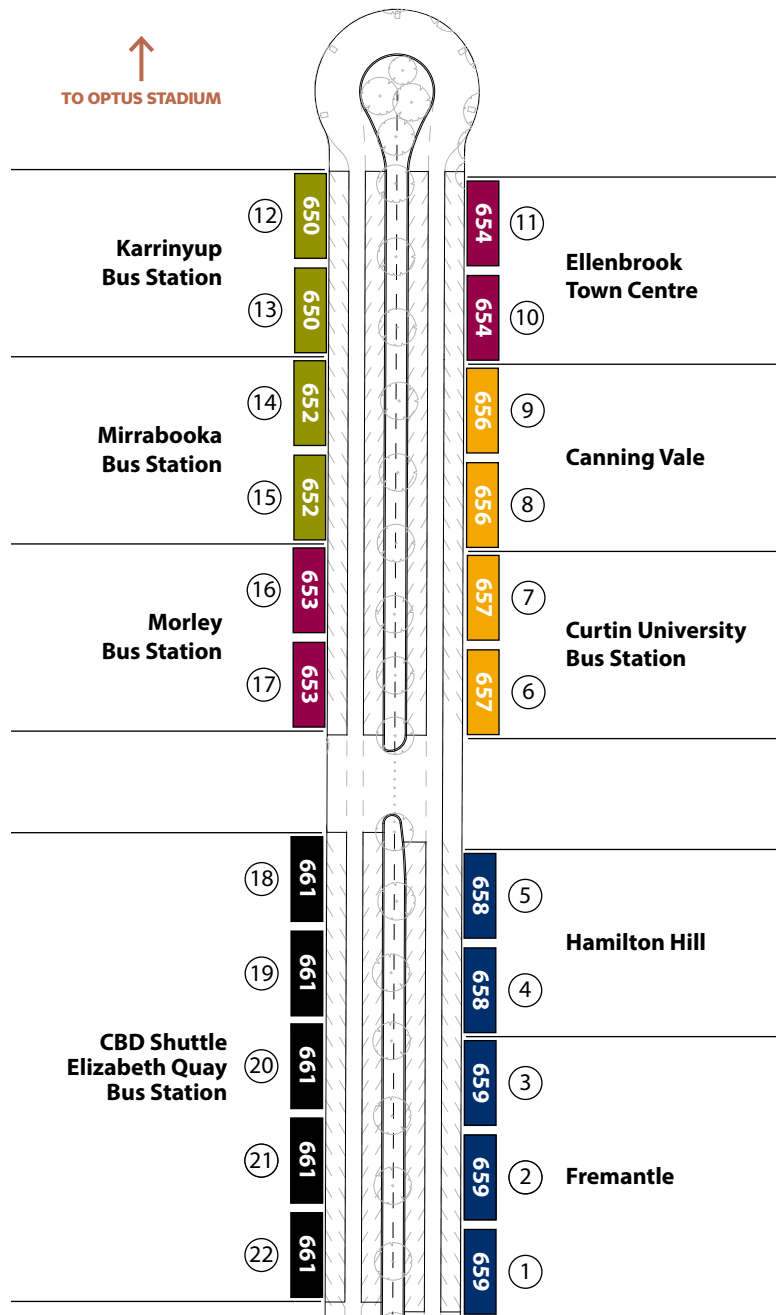

The bus station has 22 bus stands, serving passengers from across the Perth metropolitan area, as well as Perth CBD shuttles to Elizabeth Quay Bus Station. All stands have dedicated accessible access and will move over 8,000 passengers after an event.

East Perth Station

Passengers for the Midland Line can choose to walk over the Windan Bridge to East Perth Station, which has had a major upgrade to accommodate the increased level of patronage for events at the Stadium.

Stadium Bus Station Stand Allocations

Please note, bus services and stand allocations will vary depending on the event.

Travel By Bus

The information below provides an overview of travel to Optus Stadium by bus for full-capacity events.

Once complete, it will include bus stands for two CBD shuttles, one to Perth Busport via Wellington Street and one to Elizabeth Quay Bus Station via St Georges Terrace. Until Matagarup Bridge is complete a CBD bus shuttle will operate from the Stadium Bus Station to Elizabeth Quay Bus Station via Adelaide Tce/St Georges Tce.

Alternatively, patrons can catch a train from Perth Stadium Station.
