PROGRAMS COMPETITIONS & SPECIAL EVENTS

Freo Skills 4 Schools delivers a range of exciting and innovative programs for West Australian students.

The Fremantle Football Club values the partnership with organisations that assist in delivering these programs.

MESSAGE FROM THE CLUB

The Fremantle Dockers Football Club has a corporate and social responsibility to the community in which it thrives. In essence, it's about giving something back to acknowledge the support the club receives from the community.

Freo Skills 4 Schools is instrumental in achieving that aim through a broad range of programs. It is a school-based initiative designed to utilise the Fremantle Dockers' resources and player expertise to assist students to make informed decisions for a responsible, healthy and active lifestyle.

Freo Skills 4 Schools, which is a key component of Community Goals, is proudly supported by the Fremantle Dockers Foundation. The foundation seeks to support the community through positive community engagement and social inclusion opportunities.

The curriculum-based programs are fun-filled and encourage active and healthy participation among young children. With childhood obesity on the rise, the programs are also a great way to help tackle major health issues in our community.

We look forward to hosting schools and community groups at our new home base at Cockburn ARC.

COMPETITIONS

FREO DOCKERS CUP

The Freo Dockers Cup is an extremely popular interschool football competition for female students in upper primary. The competition also runs in various high school age groups. The Freo Dockers Cup is played either in a one-day Lightning Carnival format or a weekly round-robin competition. The special modified rules (NAB AFL Junior Rules) allow for maximum participation, enjoyment and skill development in a safe environment. The emphasis should always be on playing safe rather than on winning.

FREO DOCKERS SHIELD

Primary schools that participate in an interschool one-day Lightning Carnival organised by either the schools in their District or conducted by their local WAFL Club will compete for the Freo Dockers Shield. In both cases these carnivals will be supported by the WA Football Commission and their local WAFL Club. Although the Freo Dockers Shield is targeted primarily towards males in upper primary, female participants are welcome.

FREO HOUSE FOOTY

Freo House Footy is an intra-school competition ideal for PE/sport lessons or a lunch-time competition. Intended for secondary schools, Freo House Footy is unique in that its structure is flexible to each school's specific needs. While the rules provided are based upon AFL9s, they can be modified or derived from your students also, making it a fun and inclusive event in your school calendar!
