

# Precinct Map

The Stadium precinct includes a purpose built train and bus station to accommodate large crowds attending events at Optus Stadium and the surrounding area.

## Perth Stadium Train Station

With six dedicated platforms, Perth Stadium Station is designed to move over 28,000 passengers after an event. There are two station concourses, with the Western concourse serving passengers for the Joondalup and Fremantle Lines, and the Eastern concourse serving the Armadale Line and shuttles into Perth Station.

## Perth Stadium Bus Station

The bus station has 22 bus stands, serving passengers from across the Perth metropolitan area, as well as Perth CBD shuttles to Elizabeth Quay Bus Station. All stands have dedicated accessible access and will move over 8,000 passengers after an event.

## East Perth Station

Passengers for the Midland Line can choose to walk over the Windan Bridge to East Perth Station, which has had a major upgrade to accommodate the increased level of patronage for events at the Stadium.
