PARKING

Unfortunately there is no public parking available at Metricon Stadium on event days and parking restrictions will be enforced in the areas surrounding the stadium. Valid parking permits are required to access Metricon Stadium's car parks, without these vehicles will be refused entry.

All permit holders are advised to refer to the stadium precinct map within this guide for specific locations of Metricon Stadium car parks or on the reverse side of their parking permit.

A limited number of Persons With a Disability (PWD) car parking spaces are available in the Red Car Park at Metricon Stadium for holders of a valid, government issued disability parking permit. These car parks will be issued to customers on a first in, first served basis on event day. Please enquire via your Gold Coast SUNS contact.

BOOWAGGAN ROAD PARK 'N' RIDE

This free car park opens approximately 2.5 hours prior to the start of the match and will close approximately 1 hour post match. Park your car then jump on the free return shuttle bus to Metricon Stadium. Please note there is limited parking available at this location.
