## Directors' report

For the year ended 31 October 2007

The directors present their report together with the financial report of Hawthorn Football Club Limited ("the Company") and of the Group, being the Company and its controlled entities, for the year ended 31 October 2007 and the auditor's report thereon.

### Directors

The directors of the Company at any time during or since the end of the financial year are:

|                         |                              |             |              |
|-------------------------|------------------------------|-------------|--------------|
| J G Kennett (President) | M K Ralston (Vice-President) | J S Allis   | J H Dunstall |
| B C Growcott            | G L Harris                   | MM McKinnon | P A Newbold  |
| G D Cook*               |                              |             |              |

\* Retired as Director during the year and we thank him for his contribution.

### Principal activities

The principal activities of the Hawthorn Football Club Limited are to compete within the AFL, by maintaining, providing, supporting and controlling a team of footballers bearing the name of the Hawthorn Football Club. There were no significant changes in the nature of the principal activities during the year.

### Dividends

The Constitution of the Hawthorn Football Club Limited prohibits the Club from the payment of dividends and accordingly no dividends were paid or declared during the year.

### Controlled entities

In 2007, the Club is required to present consolidated information. The Consolidated Group comprises the Box Hill Hawks Football Club Limited ("BHHFC") and the HFC CS Fixed Trust. The Club is the only member of the Trustee Company CSFT Limited, and the sole beneficiary of the Trust. Although Hawthorn Football Club does not hold an ownership interest in BHHFC, under the revised Alignment Agreement that took effect from 1 November 2006, the Club has the ability to govern the financial and operating policies of BHHFC; consequently the Club consolidates this entity. The Club's initial investment of \$10, in the Trust, is included in non-current investments.

### Operating and financial review

The Club is delighted to announce a consolidated operating profit for the year ended 31 October 2007 of \$3,603,477 (Company 2006: \$308,632). This pleasing result is due to a significant growth in all key revenue areas of the business.

However this profit was achieved with a number of extra-ordinary transactions. These included the \$0.569 million profit on sale of the Clubs' Linda Crescent property, and the additional distribution of \$1 million from the AFL's new 5-year TV rights deal.

This year's profit is unlikely to be repeated in the 2008 financial year.

The Club allocated an extra \$1.3 million to the Football Department in 2007. For 2008 the board has allocated an additional \$1.9 million to the Football Department.

The Club is now into its second season at Waverley Park whose facilities are regarded as amongst the best in AFL football.

### Tasmania

The Club is thrilled to have secured the Tasmanian Government as our major naming rights partner. The success of the first-year of this five-year partnership has been outstanding and we will continue to foster and develop this relationship over the forthcoming years.

## Directors' report (continued)

For the year ended 31 October 2007

### Operating and financial review (continued)

#### Football Department

The football team's improved performance continues with the Club's on field results securing 14 wins in 2007 (including one final) compared to nine in 2006 and five in 2005. The Club has continued its focus on securing quality youth with strong character through the recruitment of Mitch Thorp, Brent Renouf, Josh Kennedy, Jarryd Morton, and Garry Moss in the 2006 National Draft. The Clubs' successful recruiting strategy over the past 3 years is now seeing the benefits on the field. Our alignment with Box Hill continues to strengthen with the extension of our partnership until the end of the 2011 season.

We salute and thank our senior players who announced their retirement at the end of the year - our Captain, Richard Vandenberg, Ben Dixon, and Joel Smith, for their outstanding contribution.

#### Commercial Operations

All Commercial areas of the business have had strong growth.

Membership and Marketing have experienced solid growth. Membership has grown from 28,003 in 2006 to 31,064 in season 2007 and continues to be a critical income stream for the Club. The Club will continue to provide the resources to focus on our goal of increased growth in membership around the country including our home away from home in Tasmania.

Sponsorship has increased with our major and most recognised property, the Hawthorn guernsey, being shared between Tasmania and HSBC.

The Club sold the Linda Crescent property during the season and will use the proceeds to substantially assist with the freehold purchase of the public gymnasium on the ground level at Waverley Park. In addition, the opening of the Hawks Museum at Waverley Park later this year will continue to realise the ongoing project of "Hawthorn-ising" our new home.

The Board would like to thank Management and staff for their contributions throughout the 2007 season.

#### Significant changes in the state of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

#### Environmental regulation

The company's operations are not subject to any significant environmental regulations under either the Commonwealth or State legislation. However, the Board believes that the company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

The Club is developing a self sufficient water solution for maintaining the Waverley Park ground.

#### Likely Developments

Future developments in operations have been referred to in the review of operating entities above.

#### Events subsequent to Balance Date

Other than the matters discussed above no matters or circumstances have arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors of the company, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future years.

### Directors' report (continued)

For the year ended 31 October 2007

#### Indemnification and insurance of officers and auditors

Since the end of the previous financial year the company has paid insurance premiums of \$5,550 (2006: \$9,485) in respect of the directors' liability.

The directors have not included details of the nature of the liability covered in respect of the directors' liability insurance contracts; as such disclosure is prohibited under the terms of the contract.

The company has not, during or since the end of the financial year, in respect of any person who is or has been an auditor of the company or a related body corporate:

- indemnified or made any relevant agreement for indemnifying against a liability incurred, including costs and expenses in successfully defending legal proceedings; or
- paid or agreed to pay a premium in respect of a contract insuring against a liability incurred for the costs or expenses to defend legal proceedings.

## Notes to the consolidated financial statements

### 1. Statement of significant accounting policies

The Hawthorn Football Club Limited (the 'company') is a company domiciled in Australia.

The financial report was authorised for issue by the directors on 9 November 2007.

The significant policies which have been adopted in the preparation of this financial report are :

#### (a) Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards ('AASBs') adopted by the Australian Accounting Standards Board ('AASB') and the Corporations Act 2001. International Financial Reporting Standards ('IFRSs') form the basis of Australian Accounting Standards ('AASBs') adopted by the AASB, and for the purpose of this report are called Australian equivalents to IFRS ('AIFRS') to distinguish from previous Australian Generally Accepted Accounting Principles ('AGAAP'). The financial report of the company also complies with IFRSs and interpretations adopted by the International Accounting Standards Board.

#### (b) Basis of preparation

The financial report is presented in Australian dollars. It is prepared on the historical cost basis, except for financial instruments that are available for sale which are stated at fair value.

The preparation of this financial report in conformity with AIFRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The accounting policies set out below have been consistently applied to all periods presented in these consolidated financial statements, and have been applied consistently by group entities.

Other than as noted below, accounting standards that have recently been issued or amended but are not yet effective have not been adopted for the annual report ending 31 October 2007. No changes to the current accounting policies are anticipated on application of these issued or revised standards.

The entity has elected to early adopt the following accounting standards and amendments.

- AASB 101 Presentation of Financial Statements (October 2006).

In the prior year, the Club adopted AASB 132 Financial Instruments : Disclosure and Registration, and AASB 139 : Financial Instruments : Recognition and Measurement in accordance with the transitional rules of AASB 1 : First Time Adoption of Australian Equivalents to International Financial Reporting Standards. This change has been accounted for by adjusting the opening balance of retained earnings and reserves at 1 November 2005, as disclosed in the Statement of Changes in Equity.

Where necessary, comparative information has been reclassified to achieve consistency in disclosure with current financial year amounts and other disclosures.

### 1. Statement of significant accounting policies (continued)

#### (c) Basis of Consolidation

##### ***Subsidiaries***

Subsidiaries are entities controlled by the Group. Control exists when the Group has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In assessing control, potential voting rights that presently are exercisable are taken into account. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

Intra-group balances, and any unrealised income and expenses arising from intra-group transactions are eliminated in preparing the consolidated statements.

In the Company's financial statements, investments in subsidiaries are carried at cost.

#### (d) Property, plant and equipment

##### ***Owned Assets***

Items of property, plant and equipment are stated at cost or deemed cost less accumulated depreciation (see below) and impairment losses (see accounting policy 1 (j)).

Certain items of property, plant and equipment are measured on the basis of deemed cost, being the revalued amount at the date of revaluation.

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

##### ***Leased Assets***

Leases in terms of which the company assumes substantially all the risks and rewards of ownership are classified as finance leases and are consequently included as property, plant and equipment with a corresponding liability for future payments. Lease payments are accounted for as described in accounting policy 1 (o).

##### ***Subsequent costs***

The company recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied within the item will flow to the consolidated entity and the cost of the item can be measured reliably. All other costs are recognised in the income statement as an expense as incurred.

### 1. Statement of significant accounting policies (continued)

#### (d) Property, plant and equipment (cont)

##### **Depreciation**

With the exception of freehold land depreciation is charged to the income statement using a combination of the straight-line and diminishing value methods over the estimated useful lives of each part of an item of property, plant and equipment. Land is not depreciated.

The estimated useful lives of each class of asset and comparative period are as follows:

|                                 | 2007    | 2006    | Method of depreciation         |
|---------------------------------|---------|---------|--------------------------------|
| Buildings                       | 25 – 40 | 25 – 40 | Straight line                  |
| Building improvements           | 5 – 40  | 5 – 40  | Straight line                  |
| Plant and equipment             | 3 – 20  | 3 – 20  | Straight line/Reducing balance |
| Building leasehold improvements | 5 – 40  | 5 – 40  | Straight line                  |

The residual value, the useful life and the depreciation method applied to an asset are reassessed at least annually.

#### (e) Investments

Financial instruments held for trading are classified as current assets and are stated at fair value, with any resultant gain or loss recognised in the income statement.

Other financial instruments held by the company are classified as being available-for-sale and are stated at fair value, with any resultant gain or loss being recognised directly in equity, except for impairment losses. When these investments are sold, the cumulative gain or loss previously recognised directly in equity is recognised in profit or loss. Where these investments are interest-bearing, interest calculated using the effective interest method is recognised in the income statement.

The fair value of financial instruments classified as held for trading and available-for-sale is their quoted bid price at the balance sheet date.

Financial instruments classified as held for trading or available-for-sale investments are recognised / derecognised by the company on the date it commits to purchase / sell the investments.

#### (f) Trade and other receivables

Trade and other receivables are stated at their amortised cost less impairment losses (see accounting policy 1 (i)).

#### (g) Inventories

Inventories comprise clothing, Club merchandise, and food and beverage. All inventories are carried at the lower of cost and net realisable value. Net realisable value is the estimated costs of completion and selling expenses. Cost of inventory is based on average cost and incorporates expenditure incurred in acquiring the inventories and bringing them to their existing condition and location.

#### (h) Cash

Cash assets are carried at face value of the amounts deposited.

## Notes to the consolidated financial statements

### 1. Statement of significant accounting policies (continued)

#### (i) Impairment

The carrying amounts of the company's assets other, than inventories (see accounting policy 1 (g)) are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the income statement, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation with any excess recognised through profit and loss.

Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of the other assets in the unit (group of units) on a pro rata basis.

When a decline in the fair value of an available-for-sale financial asset has been recognised directly in equity and there is objective evidence that the asset is impaired, the cumulative loss that had been recognised directly in equity is recognised in profit or loss even though the financial asset has not been derecognised. The amount of the cumulative loss that is recognised in profit or loss is the difference between the acquisition cost and current fair value, less any impairment loss on that financial asset previously recognised in profit and loss.

#### **Calculation of impairment loss**

The recoverable amount of the company's receivables carried at amortised cost is calculated as the present value of the estimated future cash flows, discounted at the original effective interest rate (i.e. the effective interest rate computed at the initial recognition of these financial assets). Receivables with a short duration are not discounted.

Impairment of receivables is not recognised until objective evidence is available that a loss event has occurred. Significant receivables are individually assessed for impairment. Impairment testing of significant receivables that are not assessed as impaired individually is performed by placing them into portfolios of significant receivables with similar risk profiles and undertaking a collective assessment of impairment. Non-significant receivables are not individually assessed. Instead, impairment testing is performed by placing non-significant receivables in portfolios of similar risk profiles, based on objective evidence from historical experience adjusted for any effects of conditions existing at each balance sheet date.

The recoverable amount of other assets is the greater of their fair value less costs to sell and value in use. As the Club is a not for profit entity, value in use is determined with reference to the depreciated replacement cost of the asset.

#### **Reversals of impairment**

Impairment losses are reversed when there is an indication that the impairment loss may no longer exist and there has been a change in the estimate used to determine the recoverable amount.

An impairment loss in respect of a receivable carried at amortised cost is reversed if the subsequent increase in the recoverable amount can be related objectively to an event occurring after the impairment loss was recognised.

# Hawthorn Football Club Limited and its controlled entities

## Notes to the consolidated financial statements

### 1. Statement of significant accounting policies (continued)

#### (i) Impairment (continued)

##### ***Reversals of impairment (continued)***

An impairment loss in respect of an investment in an equity instrument classified as available-for-sale is not reversed through the profit or loss. If the fair value of a debt instrument classified as available-for-sale increases and the increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss shall be reversed, with the amount of the reversal recognised in profit or loss.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

#### (j) Interest-bearing borrowings

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost with any difference between cost and redemption value being recognised in the income statement over the period of the borrowings on an effective interest basis.

#### (k) Employee Entitlements

##### ***Defined contribution superannuation funds***

Obligations for contributions to defined contribution superannuation funds are recognised as an expense in the income statement as incurred.

##### ***Long Service Leave***

The provision for employee benefits for long service leave is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wages and salary rates including related on-costs and expected settlement dates based on turnover history and is discounted using the rates attaching to Commonwealth Government bonds at balance date which most closely match the terms of maturity of the related liabilities. The unwinding of the discount is treated as a long service leave expense.

As a result of a federally certified long service leave agreement between the players and the Australian Football League ("AFL"), the Hawthorn Football Club has no obligation for long service leave for players.

##### ***Liabilities for wages, salaries and annual leave***

Employee benefits for wages, salaries and annual leave that are expected to be settled within 12 months of the reporting date represent present obligations resulting from employees' services provided up to the reporting date. The provisions are calculated at undiscounted amounts based on remuneration rates the company expects to pay including related on-costs, such as workers compensation insurance and payroll tax. Non-accumulating non-monetary benefits are expensed based on the net marginal cost to the company as the benefits are taken by the employees.

The provisions for employee benefits for wages, salaries and annual leave are treated the same for players and other employees of the company.

## Notes to the consolidated financial statements

### 1. Statement of significant accounting policies (continued)

#### (l) Provisions

A provision is recognised in the balance sheet when the company has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

#### (m) Trade and other payables

Trade and other payables are stated at their amortised cost. Trade payables are non-interest bearing and are normally settled on 60-day terms.

#### (n) Revenue

Revenues are recognised at fair value of the consideration received net of the amount of goods and services tax (GST) payable to the Australian Taxation Office (ATO). No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due, the costs incurred or to be incurred cannot be measured reliably, there is a risk of return of goods or there is continuing management involvement with the goods.

##### **Sales Revenue**

Sales revenue from football activities comprises revenue earned from the sales of memberships, corporate marketing, sponsorships, the sale of merchandise, gate receipts and AFL distributions.

Sales revenue from Waverley Gardens comprises revenue earned (net of returns, discounts and allowances) from gaming machines and provisions of food and beverages.

##### **AFL distribution and prize money**

AFL distribution and prize money income is recognised as it is received.

##### **Membership and match day income**

Membership income is recognised throughout the duration of the AFL Home and Away season. Match day income is recognised at the conclusion of each AFL home game.

##### **Sponsorship income**

Sponsorship income is recognised in the income statement in proportion to the state of completion of the transaction at balance date in accordance with the terms and conditions of the sponsorship contract.

##### **Gaming, bar and bistro revenue**

Gaming, bar and bistro revenue is recognised as it is earned.

##### **Donations**

Donation income is recognised when an agreement has been signed between the donor and the Club, whereby the donor pledges to contribute cash.

##### **Grant revenue**

Grant revenue, including contributions of assets, is recognised when the Club controls the contribution or right to receive the contribution, it is probable that the economic benefits comprising the contribution will flow to the Club; and the amount of the contribution can be measured reliably.

## Notes to the consolidated financial statements

### 1. Statement of significant accounting policies (continued)

#### (o) Expenses

##### *Operating lease payments*

Payments made under operating leases are recognised in the income statement on a straight-line basis over the term of the lease.

##### *Finance lease payments*

Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

#### (p) Income Tax

No income tax is payable as the company is an exempt sporting organisation in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

#### (q) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the ATO. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the balance sheet.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities that are recoverable from, or payable to, the ATO are classified as operating cash flows.

#### (r) Segment note

The Club operates as a constituent member of the Australian Football League.

##### \*Acquisitions

The Waverley Park land, buildings and oval are subject to certain usage restrictions during the term of the redevelopment of the adjacent property.

##### \*\* Impairment loss

In the prior year the Club relocated its operations from Glenferrie Oval to Waverley Park which caused the company to assess the recoverable amount of the leasehold improvement at the Glenferrie site. Based on this assessment, the carrying amount of the leasehold improvements was written off. An impairment loss of \$870,685 was included in the income statement.

## Notes to the consolidated financial statements

### 15. Commitments (continued)

#### (b) Player commitments

Due to the contract terms varying considerably amongst players it is not practical to reliably measure the future commitments under player contracts.

#### (c) Capital Commitments

On 26 September 2007, the Club purchased the gymnasium at 5/2 Stadium Circuit, Mulgrave at auction for \$4,100,000 (exclusive of GST). A deposit of \$410,000 was paid; settlement of the remaining balance of \$3,690,000 will be paid on 26 November 2007. Only the deposit has been recorded in the financial statements and is included in other assets (Note 9)

#### (d) City Oval Redevelopment

During the year the Hawthorn Board resolved to contribute \$150,000 to the re-development of City Oval, the home ground of the Box Hill Hawks Football Club Limited. The contribution is part of a joint funding agreement between the Box Hill Hawks Football Club Limited, Hawthorn Football Club, Football Victoria, Victorian State Government, and the City of Whitehorse. In addition to the Club's contribution, Box Hill Hawks have committed to \$250,000. The consolidated entities contribution of \$400,000 is conditional on finalisation of a satisfactory lease arrangement with the City of Whitehorse, the timing of which is expected to occur within the next twelve months.

### 16. Related parties

#### *Transactions with directors*

During the year the directors purchased Club membership packages, finals tickets, attended Club functions, made donations and contributed towards fundraising auctions. The terms and conditions of the transactions with the directors and their director related entities were no more favourable than those available, or which might be reasonably expected to be available, on similar transactions to non-director related entities on an arm's length basis.

#### *Transactions with key management personnel*

In addition to their salaries, the company also provides non-cash benefits to key management personnel and contributes to a post-employment defined contribution superannuation fund on their behalf.

#### *Key management personnel compensation*

The key management personnel compensation included in 'employee and player expenses' in the income statement are as follows:

#### *Other related parties*

Amounts receivable from other related parties are shown in note 6 of the Company financial statements.

During the year, the Club made operating payments totalling \$169,000 to the Box Hill Hawks Football Club Limited. These payments are made in accordance with the Alignment Agreement, and have been eliminated in the consolidated financial statements.

On a consolidated basis, cash and cash equivalents in the current year would have been \$43,302 higher, investments and financial liabilities remain unchanged.

##### (b) Credit risk exposures

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis.

At balance date there were no significant concentrations of credit risk. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the balance sheet.

## Notes to the consolidated financial statements

### 19. Contingencies

#### (a) Contingent receivables

##### *AFL distribution from sale of Waverley Park*

Following the sale of the original Waverley Park property to Mirvac, the AFL advised the company that it will distribute the final sale proceeds of \$250,000 on 15 October 2008. The Club has been advised that this payment is conditional upon, and subject to certain conditions, accordingly the \$250,000 has not been brought to account as revenue as the Club has not gained control of the remaining proceeds and the right to receive the proceeds does not exist until each condition is met at the payment dates. This is in accordance with Accounting Standard AASB 1004 Contributions.

On 15 October 2007 the company received the sixth and penultimate instalment of \$250,000 (2006: \$300,000). This amount has been treated as revenue in the 2007 year.

### 20. Contributed equity

Hawthorn Football Club Limited is a company limited by guarantee only and therefore does not have share capital. The amount capable of being called up only in the event of, and for the purpose of, the winding up of the Club is limited to \$2 per member, subject to the provisions of the company's constitution.

### 21. Group entities

Hawthorn Football Club is the parent entity of the Group, which comprises Box Hill Hawks Football Club Limited ("BHHFC") (a company limited by guarantee), and the HFC CS Fixed Trust ("HFCFT"). The Club is the only member of the Trustee Company, CSFT Limited, and the sole unitholder of the Trust. Both BHHFC and the CSFT Limited were incorporated in Australia.

Although Hawthorn Football Club does not hold an ownership interest in Box Hill Hawks Football Club Limited, under the revised Alignment Agreement that took effect from 1 November 2006, the Club has the ability to govern the financial and operating policies of the BHHFC; consequently, the Club consolidates this entity.

As the Box Hill Hawks Football Club Limited, and HF CS Fixed Trust only became group entities during the 2007 year financial year, prior year consolidated financial information has not been presented.

The Club's initial investment of \$10 capital in the Trust is carried at cost and is included in non-current investments.

## Independent Audit report to the members of the Hawthorn Football Club Limited and its controlled entities

### Scope

We have audited the accompanying financial report of Hawthorn Football Club (the Company), which comprises the balance sheets as at 31 October 2007 and the income statements, statements of changes in equity and cash flow statements for the year ended on that date, a summary of significant accounting policies and other explanatory notes 1 to 23 and the directors' declaration set out on pages 12 to 29 of the Group comprising the Company and the entities it controlled at the year's end or from time to time during the financial year.

### Directors' responsibility for the financial report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In note 1, the directors also state, in accordance with Australian Accounting Standard AASB 101 Presentation of Financial Statements, that the financial report of the Group, comprising the financial statements and notes, complies with International Financial Reporting Standards.

### Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001* and Australian Accounting Standards (including the Australian Accounting Interpretations), a view which is consistent with our understanding of the Company's and the Group's financial position and of their performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Auditor's opinion

In our opinion:

- (a) the financial report of Hawthorn Football Club is in accordance with the Corporations Act 2001, including:
- (i) giving a true and fair view of the Company's and the Group's financial position as at 31 October 2007 and of their performance for the year ended on that date; and
  - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.
- (b) the financial report of the Group also complies with International Financial Reporting Standards as disclosed in note 1.
