

## Going to a Saints football game at Marvel Stadium

I'm going to the football at Marvel Stadium. I'm going to cheer for the Saints and have fun.

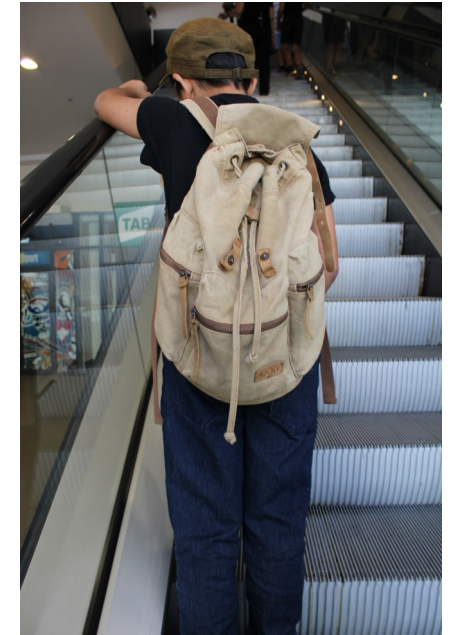

I will have my ticket or my membership card ready.

I will line up to enter the stadium. Security will check my bag. This keeps me safe.

I will scan my ticket or membership card. I will then walk in with my adult.

Marvel Stadium is big. It has many floors. My ticket says where to sit. If we need to go to another level, there are 4 ways to do it. There is a lift, stairs, ramp and escalators.

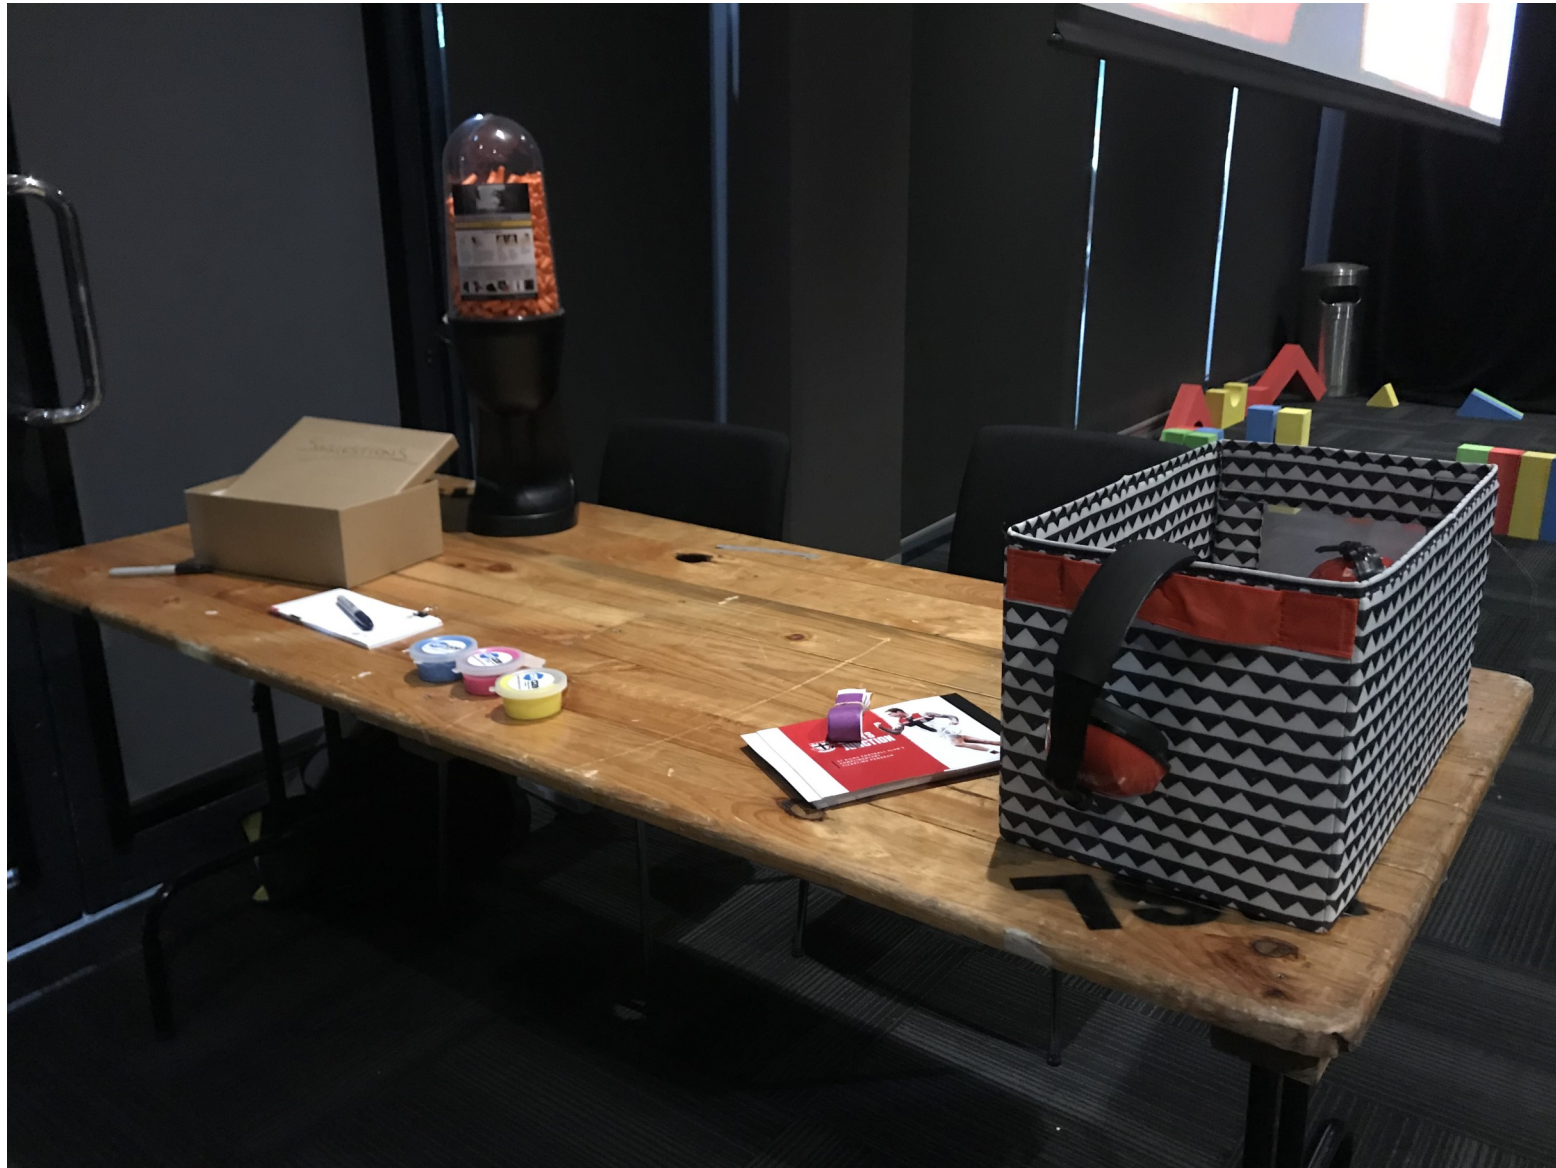

There are lots of people and noise. I will walk slowly and stay close to my adult.

There is a chill out room at Marvel Stadium. If I need a break, I can come here.

I can watch the football on TV. I can relax on a Saints bean bags. There are quiet things to do in the room too.

I can get some ear muffs or plugs from the chill out room.

I will watch the game and cheer 'GO Saints!'

When a team kicks a goal, it will be loud. The crowd will cheer. There will be loud music played over the speaker in the stadium. I can wear ear muffs or ear plugs. If it is too loud, I will tell my adult that I need a break.

If I need help, I can ask a staff member wearing a Marvel top.

I will have fun at the football. GO Saints!
