

Match Day – Use of the Sydney Swans Office

Accreditation is required for access into the Sydney Swans office on match days, including when match days fall on a Thursday or Friday. Accreditation options are noted below:

- Players – will require their Player Pass (which includes their photo)
- Staff (football and commercial) – will require their Club Personnel Pass (which includes their photo)
- Family and friends – match specific wrist band for post-match office access only*
- Full time staff without a match day role – match specific wrist band

*There will be no access to the Club pre-match for anyone outside of working staff and players, with the exception of those dropping children to the crèche** or attending official Club functions within the office area.

**Those accessing the crèche prior to the match and entering the seating area directly from the office must hold the relevant accreditation to access the office and also have their match viewing ticket scanned in reception prior to moving to the crèche.

Access to the Club post-match is after the final siren only. The Club Lounge will operate for 1.5 hours post-match only and requires accreditation for entry (see above).

Match specific wristbands should be requested from Gina Keeble by 5.00pm on the Wednesday prior to each match.

Club Lounge

The Club Lounge is our venue for post-match gatherings. Players, staff and their partners are welcome to meet in the Club Lounge after each game (children are welcome but must be supervised). The Club Lounge is an inner sanctum of the Club. It is for players, officials, immediate family and close friends of players and officials only. Families and friends will require a security wristband to gain entry. Access to the Club post-match is after the final siren only. The Club Lounge will operate for 1.5 hours, post-match only.
